

## MOLEX .156" CENTER KK KITS (Cont.)

### Model No. WMLX-239

.156" Center KK Headers.

2 Circuit Right Angle KK Headers with Friction Locks.

Consists of 2 Pieces.

Application: for .156" Center KK Headers

Contents (Also found in Program Model No. WMKKR-156-B)

Molex Part No.	Quantity per Pack	Description
26-60-5020	2	2 Circuit Right Angle KK Headers with Friction Locks

### Model No. WMLX-240

.156" Center KK Headers.

3 Circuit Right Angle Breakaway KK Headers with Friction Locks.

Consists of 2 Pieces.

Application: for .156" Center KK Headers

Contents (Also found in Program Model No. WMKKR-156-B)

Molex Part No.	Quantity per Pack	Description
26-48-1036	2	3 Circuit Right Angle Breakaway KK Headers with Friction Locks

### Model No. WMLX-241

.156" Center KK Headers.

4 Circuit Right Angle Breakaway KK Headers with Friction Locks.

Consists of 1 Piece.

Application: for .156" Center KK Headers

Contents (Also found in Program Model No. WMKKR-156-B)

Molex Part No.	Quantity per Pack	Description
26-48-1046	1	4 Circuit Right Angle Breakaway KK Headers with Friction Locks

### Model No. WMLX-242

.156" Center KK Headers.

5 Circuit Right Angle Breakaway KK Headers with Friction Locks.

Consists of 1 Piece.

Application: for .156" Center KK Headers

Contents (Also found in Program Model No. WMKKR-156-B)

Molex Part No.	Quantity per Pack	Description
26-48-1056	1	5 Circuit Right Angle Breakaway KK Headers with Friction Locks

### Model No. WMLX-243

.156" Center KK Headers.

6 Circuit Right Angle Breakaway KK Headers with Friction Locks.

Consists of 1 Piece.

Application: for .156" Center KK Headers

Contents (Also found in Program Model No. WMKKR-156-B)

Molex Part No.	Quantity per Pack	Description
26-48-1066	1	6 Circuit Right Angle Breakaway KK Headers with Friction Locks

### Model No. WMLX-244

.156" Center KK Headers.

10 Circuit Right Angle Breakaway KK Headers with Friction Locks.

Consists of 1 Piece.

Application: for .156" Center KK Headers

Contents (Also found in Program Model No. WMKKR-156-B)

Molex Part No.	Quantity per Pack	Description
26-48-1106	1	10 Circuit Right Angle Breakaway KK Headers with Friction Locks

## MOLEX .100" C-GRID HEADER KITS

### Model No. WMLX-301

.100" Center C-Grid Headers.

2 Circuit C-Grid Header Shunts with Gold Contacts.

Consists of 5 Pieces.

Application: for .100" Center C-Grid Headers

Contents (Also found in Program Model No. WMKKR-156-B)

Molex Part No.	Quantity per Pack	Description
15-29-1024	5	2 Circuit C-Grid Header Shunts with Gold Contacts

### Model No. WMLX-302

.100" Center C-Grid Headers.

2 Circuit C-Grid Header Micro Shunts with Gold Contacts.

Consists of 1 Piece.

Application: for .100" Center C-Grid Headers

Contents (Also found in Program Model No. WMKKR-156-B)

Molex Part No.	Quantity per Pack	Description
900-59-0009	1	2 Circuit C-Grid Header Micro Shunts with Gold Contacts

### Model No. WMLX-303

.100" Center C-Grid Headers.

20 Circuit C-Grid Vertical Breakaway Printed Circuit Board (PCB) Header.

Consists of 1 Piece.

Application: for .100" Center C-Grid Headers

Contents (Also found in Program Model No. WMKKR-156-B)

Molex Part No.	Quantity per Pack	Description
22-58-1520	1	20 Circuit C-Grid Vertical Breakaway Printed Circuit Board Header

### Model No. WMLX-304

.100" Center C-Grid Headers.

20 Circuit C-Grid Vertical Breakaway Printed Circuit Board (PCB) Header with Gold Contacts.

Consists of 1 Piece.

#### Contents:

Molex Part No.	Quantity per Pack	Description
22-54-1420	1	20 Circuit C-Grid Vertical Breakaway Printed Circuit Board Header with Gold Contacts

Note: This Kit is Included on Rack Program WMKKR-156-B.

### Model No. WMLX-306

.100" Center C-Grid Headers.

20 Circuit C-Grid Right Angle Breakaway Printed Circuit Board (PCB) Header with Gold Contacts.

Consists of 1 Piece.

#### Contents:

Molex Part No.	Quantity per Pack	Description
22-12-5320	1	20 Circuit C-Grid Right Angle Breakaway Printed Circuit Board Header with Gold Contacts

Note: This Kit is Included on Rack Program WMKKR-156-B.

### Model No. WMLX-307

.100" Center C-Grid Headers.

40 Circuit C-Grid Dual Row Vertical Breakaway Printed Circuit Board (PCB) Header.

Consists of 1 Piece.

#### Contents:

Molex Part No.	Quantity per Pack	Description
10-88-1401	1	40 Circuit C-Grid Dual Row Vertical Breakaway Printed Circuit Board Header

Note: This Kit is Included on Rack Program WMKKR-156-B.

## MOLEX .100" C-GRID HEADER KITS (Cont.)

### Model No. WMLX-308

.100" Center C-Grid Headers.

40 Circuit C-Grid Dual Row Vertical Breakaway Printed Circuit Board (PCB) Header with Gold Contacts.

Consists of 1 Piece.

#### Contents:

Molex Part No.	Quantity per Pack	Description
10-89-7402	1	40 Circuit C-Grid Dual Row Vertical Breakaway Printed Circuit Board Header with Gold Contacts

Note: This Kit is Included on Rack Program WMKKR-156-B.

### Model No. WMLX-309

.100" Center C-Grid Headers.

40 Circuit C-Grid Dual Row Right Angle Breakaway Printed Circuit Board (PCB) Header.

Consists of 1 Piece.

#### Contents:

Molex Part No.	Quantity per Pack	Description
10-88-1405	1	40 Circuit C-Grid Dual Row Right Angle Breakaway Printed Circuit Board Header

Note: This Kit is Included on Rack Program WMKKR-156-B.

### Model No. WMLX-310

.100" Center C-Grid Headers.

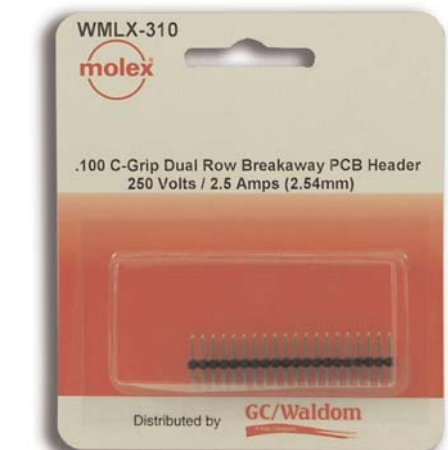

40 Circuit C-Grid Dual Row Right Angle Breakaway Printed Circuit Board (PCB) Header with Gold Contacts.

Consists of 1 Piece.

#### Contents:

Molex Part No.	Quantity per Pack	Description
10-88-1406	1	40 Circuit C-Grid Dual Row Right Angle Breakaway Printed Circuit Board Header with Gold Contacts

Note: This Kit is Included on Rack Program WMKKR-156-B.

**Model No. N-5019**  
**Solderless Butt Connector Terminals.**  
**Insulated Butt Connectors, 22-18 AWG.**

**Consists of 100 Pieces.**

**Contents:**

Molex Part No.	Quantity per Pack	Description
19202-0013	100	Insulated Solderless Butt Connector Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

**Model No. S-1019-SP**  
**Solderless Butt Connector Terminals.**  
**Non-insulated Butt Connectors, 22-18 AWG.**

**Consists of 100 Pieces.**

**Contents:**

Molex Part No.	Quantity per Pack	Description
19189-0002	100	Non-insulated Solderless Butt Connector Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

**Model No. S-1020-SP**  
**Solderless Butt Connector Terminals.**  
**Non-insulated Butt Connectors, 16-14 AWG.**

**Consists of 100 Pieces.**

**Contents:**

Molex Part No.	Quantity per Pack	Description
19189-0002	100	Non-insulated Solderless Butt Connector Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS BUTT CONNECTOR TERMINALS (Cont.)

**Model No. S-1046-SP**  
**Solderless Butt Connector Terminals.**  
**Non-insulated Butt Connectors, 12-10 AWG.**

Consists of 100 Pieces.

**Contents:**

Molex Part No.	Quantity per Pack	Description
19189-0015	100	Non-insulated Solderless Butt Connector Terminals, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

**Model No. T-2019-SP**  
**Solderless Butt Connector Terminals.**  
**Insulated Butt Connectors, 22-18 AWG.**

Consists of 100 Pieces.

**Contents:**

Molex Part No.	Quantity per Pack	Description
19154-0004	100	Insulated Solderless Butt Connector Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

**Model No. T-2020-SP**  
**Solderless Butt Connector Terminals.**  
**Insulated Butt Connectors, 16-14 AWG.**

Consists of 100 Pieces.

**Contents:**

Molex Part No.	Quantity per Pack	Description
19154-0015	100	Insulated Solderless Butt Connector Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

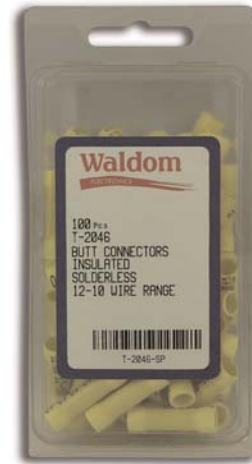

**Model No. T-2046-SP**  
**Solderless Butt Connector Terminals.**  
**Insulated Butt Connectors, 12-10 AWG.**

Consists of 100 Pieces.

**Contents:**

Molex Part No.	Quantity per Pack	Description
19154-0028	100	Insulated Solderless Butt Connector Terminals, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

**Model No. T-2105-SP**  
**Solderless Butt Connector Terminals.**  
**Insulated Butt Connectors, 22-18 AWG.**

Consists of 100 Pieces.

**Contents:**

Molex Part No.	Quantity per Pack	Description
19206-0002	100	Insulated Solderless Butt Connector Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

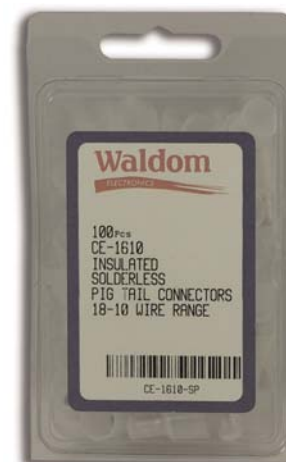

**Model No. CE-1610-SP**  
**Solderless Closed-end Connector Terminals.**  
**Insulated Closed-end (Pig Tail) Connectors, 18-10 AWG.**

Consists of 100 Pieces.

**Contents:**

Molex Part No.	Quantity per Pack	Description
19160-0002	100	Insulated Solderless Pig Tail Connector Terminals, 18-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS CLOSED-END CONNECTOR TERMINALS (Cont.)

### Model No. CE-2214-SP

Solderless Closed-end Connector Terminals.

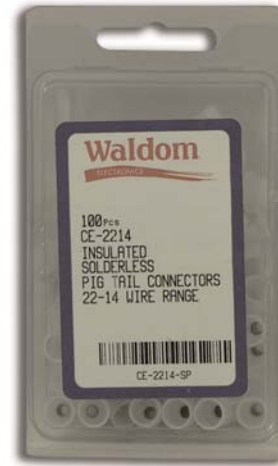

Insulated Closed-end (Pig Tail) Connectors, 22-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19160-0009	100	Insulated Solderless Pig Tail Connector Terminals, 22-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS QUICK DISCONNECT TERMINALS

### Model No. A-1428-SP

Solderless Quick Disconnect Terminals.

Non-insulated .250" Double Male Tab/Single Female Quick Disconnect Adapter.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19043-0001	100	Non-insulated Solderless .250" Double Male Tab/Single Female Quick Disconnect Terminal Adapters

Note: This Kit is Included on Rack Program IWST-B.

### Model No. N-5628-SP

Solderless Quick Disconnect Terminals.

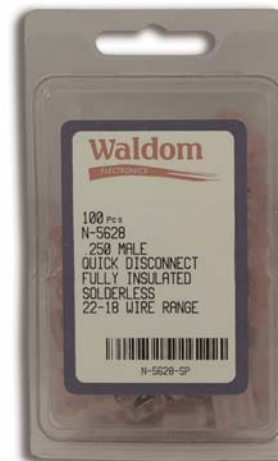

Fully Insulated .250" Male Quick Disconnect Terminal, 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19004-0001	100	Fully Insulated Solderless .250" Male Quick Disconnect Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

**Model No. N-5629-SP**  
**Solderless Quick Disconnect Terminals.**  
**Fully Insulated .250" Female Quick Disconnect Terminal,**  
**22-18 AWG.**

**Consists of 100 Pieces.**

**Contents:**

Molex Part No.	Quantity per Pack	Description
19005-0001	100	Fully Insulated Solderless .250" Female Quick Disconnect Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

**Model No. N-5630-SP**  
**Solderless Quick Disconnect Terminals.**  
**Fully Insulated .250" Male Quick Disconnect Terminal,**  
**16-14 AWG.**

**Consists of 100 Pieces.**

**Contents:**

Molex Part No.	Quantity per Pack	Description
19004-0005	100	Fully Insulated Solderless .250" Male Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

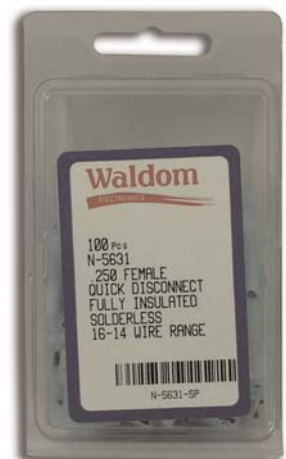

**Model No. N-5631-SP**  
**Solderless Quick Disconnect Terminals.**  
**Fully Insulated .250" Female Quick Disconnect Terminal,**  
**16-14 AWG.**

**Consists of 100 Pieces.**

**Contents:**

Molex Part No.	Quantity per Pack	Description
19005-0005	100	Fully Insulated Solderless .250" Female Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS QUICK DISCONNECT TERMINALS (Cont.)

### Model No. S-1091-A-SP

Solderless Quick Disconnect Terminals.

Non-insulated .250" Female Flag Quick Disconnect Terminal, 18-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19008-0038	100	Non-insulated Solderless .250" Female Flag Quick Disconnect Terminals, 18-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1189-SP

Solderless Quick Disconnect Terminals.

Non-insulated .187" Female Flag Quick Disconnect Terminal, 18-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19008-0019	100	Non-insulated Solderless .187" Female Flag Quick Disconnect Terminals, 18-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1431T-SP

Solderless Quick Disconnect Terminals.

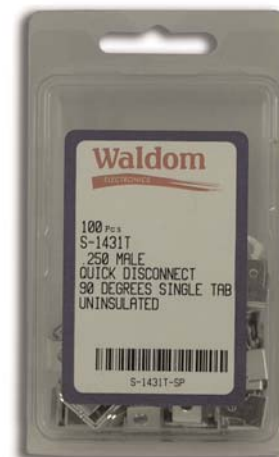

Non-insulated .250" Male 90° Single Tab Quick Disconnect Terminal.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
38002-0087	100	Non-insulated Solderless .250" Male 90° Single Tab Quick Disconnect Terminals

Note: This Kit is Included on Rack Program IWST-B.

### Model No. SS-1089-SP Solderless Quick Disconnect Terminals.

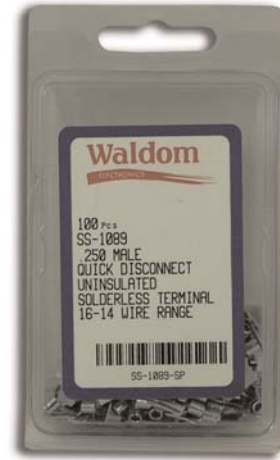

Non-insulated .250" Male Quick Disconnect Terminal,  
16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19022-0027	100	Non-insulated Solderless .250" Male Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. SS-1090-SP Solderless Quick Disconnect Terminals.

Non-insulated .250" Female Quick Disconnect Terminal,  
16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19016-0111	100	Non-insulated Solderless .250" Female Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. SS-1187-SP Solderless Quick Disconnect Terminals.

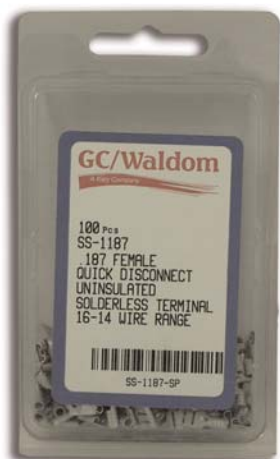

Non-insulated .187" Female Quick Disconnect Terminal,  
16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19016-0039	100	Non-insulated Solderless .187" Female Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS QUICK DISCONNECT TERMINALS (Cont.)

### Model No. SS-1188-SP

Solderless Quick Disconnect Terminals.

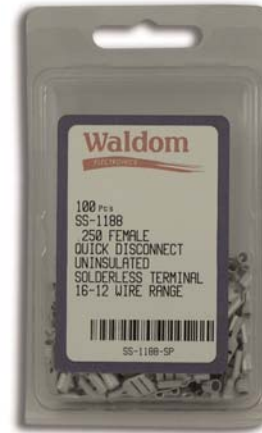

Non-insulated .250" Female Quick Disconnect Terminal, 14-12 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19016-0085	100	Non-insulated Solderless .250" Female Quick Disconnect Terminals, 14-12 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. SS-1190-SP

Solderless Quick Disconnect Terminals.

Non-insulated .187" Male Quick Disconnect Terminal, 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19022-0022	100	Non-insulated Solderless .187" Male Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. SS-1727-SP

Solderless Quick Disconnect Terminals.

Non-insulated .250" Female Quick Disconnect Terminal, 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19016-0009	100	Non-insulated Solderless .250" Female Quick Disconnect Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. SS-1759-SP

Solderless Quick Disconnect Terminals.

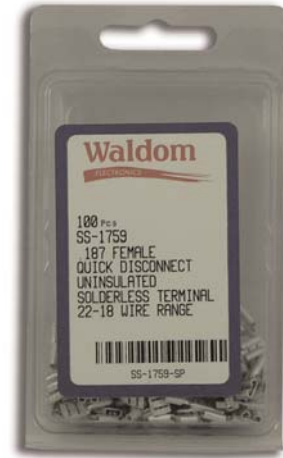

Non-insulated .187" Female Quick Disconnect Terminal, 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19016-0005	100	Non-insulated Solderless .187" Female Quick Disconnect Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. ST-2089-SP

Solderless Quick Disconnect Terminals.

Insulated .250" Male Quick Disconnect Terminal, 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19023-0016	100	Insulated Solderless .250" Male Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. ST-2090-SP

Solderless Quick Disconnect Terminals.

Insulated .250" Female Quick Disconnect Terminal, 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19017-0037	100	Insulated Solderless .250" Female Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS QUICK DISCONNECT TERMINALS (Cont.)

### Model No. ST-2187-SP

Solderless Quick Disconnect Terminals.

Insulated .187" Female Quick Disconnect Terminal,  
16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19017-0031	100	Insulated Solderless .187" Female Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. ST-2188-SP

Solderless Quick Disconnect Terminals.

Insulated .250" Female Quick Disconnect Terminal,  
14-12 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19017-0055	100	Insulated Solderless .250" Female Quick Disconnect Terminals, 14-12 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. ST-2190-SP

Solderless Quick Disconnect Terminals.

Insulated .187" Male Quick Disconnect Terminal,  
16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19023-0010	100	Insulated Solderless .187" Male Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. ST-2727-SP

Solderless Quick Disconnect Terminals.

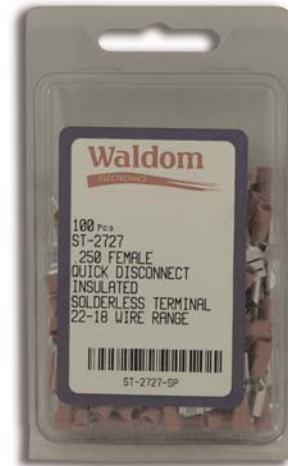

Insulated .250" Female Quick Disconnect Terminal,  
22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19017-0014	100	Insulated Solderless .250" Female Quick Disconnect Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. ST-2755-SP

Solderless Quick Disconnect Terminals.

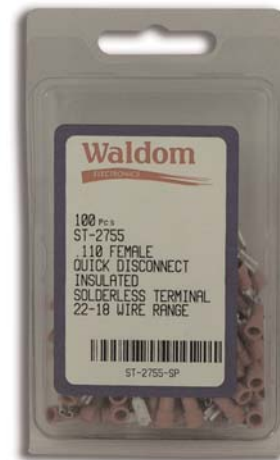

Insulated .110" Female Quick Disconnect Terminal,  
22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19017-0001	100	Insulated Solderless .110" Female Quick Disconnect Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. ST-2756-SP

Solderless Quick Disconnect Terminals.

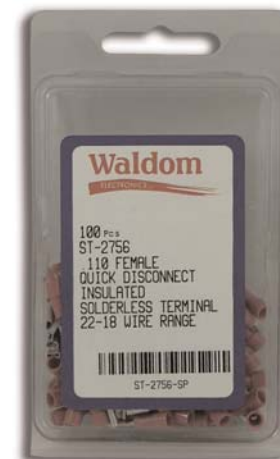

Insulated .110" Female Quick Disconnect Terminal,  
22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19023-0005	100	Insulated Solderless .110" Male Quick Disconnect Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS QUICK DISCONNECT TERMINALS (Cont.)

### Model No. ST-2759-SP

Solderless Quick Disconnect Terminals.

Insulated .187" Female Quick Disconnect Terminal,  
22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19017-0007	100	Insulated Solderless .187" Female Quick Disconnect Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. ST-2760-SP

Solderless Quick Disconnect Terminals.

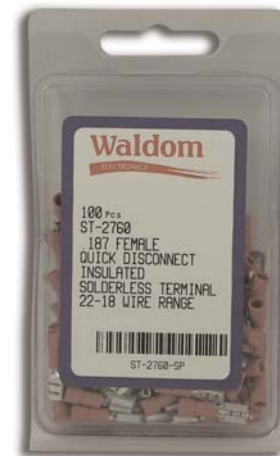

Insulated .187" Female Quick Disconnect Terminal,  
22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19017-0008	100	Insulated Solderless .187" Female Quick Disconnect Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. ST-2763-SP

Solderless Quick Disconnect Terminals.

Insulated .110" Female Quick Disconnect Terminal,  
16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19023-0023	100	Insulated Solderless .110" Female Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2613-SP

Solderless Quick Disconnect Terminals.

Fully Insulated .187" Female Quick Disconnect Terminal, 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19003-0011	100	Fully Insulated Solderless .187" Female Quick Disconnect Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2617-SP

Solderless Quick Disconnect Terminals.

Fully Insulated .250" Female Quick Disconnect Terminal, 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19003-0001	100	Fully Insulated Solderless .250" Female Quick Disconnect Terminals, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2622-SP

Solderless Quick Disconnect Terminals.

Fully Insulated .187" Female Quick Disconnect Terminal, 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19003-0050	100	Fully Insulated Solderless .187" Female Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS QUICK DISCONNECT TERMINALS (Cont.)

### Model No. T-2626-SP

Solderless Quick Disconnect Terminals.

Fully Insulated .250" Female Quick Disconnect Terminal, 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19003-0040	100	Fully Insulated Solderless .250" Female Quick Disconnect Terminals, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2627-SP

Solderless Quick Disconnect Terminals.

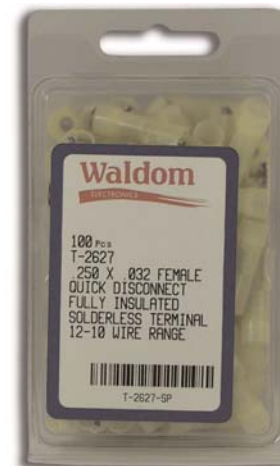

Fully Insulated .250" Female Quick Disconnect Terminal, 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19005-0010	100	Fully Insulated Solderless .250" Female Quick Disconnect Terminals, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2768-SP

Solderless Quick Disconnect Terminals.

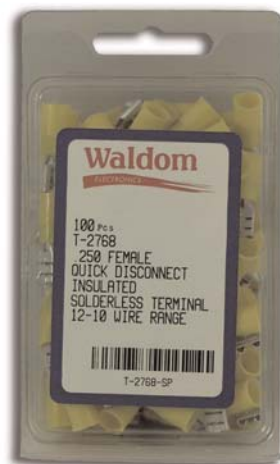

Insulated .250" Female Quick Disconnect Terminal, 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19017-0047	100	Insulated Solderless .250" Female Quick Disconnect Terminals, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1002-SP

#### Solderless Ring Terminals.

Non-insulated Ring Terminal for #6 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19044-0068	100	Non-insulated Solderless Ring Terminals, #6 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1003-SP

#### Solderless Ring Terminals.

Non-insulated Ring Terminal for #10 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19044-0072	100	Non-insulated Solderless Ring Terminals, #10 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1004-SP

#### Solderless Ring Terminals.

Non-insulated Ring Terminal for #1/4 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19044-0075	100	Non-insulated Solderless Ring Terminals, #1/4 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS RING TERMINALS (Cont.)

### Model No. S-1006-SP

#### Solderless Ring Terminals.

Non-insulated Ring Terminal for #6 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19044-0152	100	Non-insulated Solderless Ring Terminals, #6 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1008-SP

#### Solderless Ring Terminals.

Non-insulated Ring Terminal for #10 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19044-0032	100	Non-insulated Solderless Ring Terminals, #10 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1009-SP

#### Solderless Ring Terminals.

Non-insulated Ring Terminal for #1/4 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19044-0158	100	Non-insulated Solderless Ring Terminals, #1/4 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1011-SP

#### Solderless Ring Terminals.

Non-insulated Ring Terminal for #10 Screw and 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19069-0209	100	Non-insulated Solderless Ring Terminals, #10 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1013-SP

#### Solderless Ring Terminals.

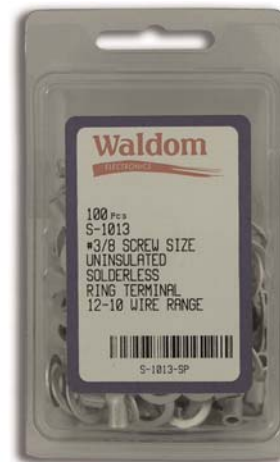

Non-insulated Ring Terminal for #3/8 Screw and 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19069-0241	100	Non-insulated Solderless Ring Terminals, #3/8 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1021-SP

#### Solderless Ring Terminals.

Non-insulated Ring Terminal for #8 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19044-0069	100	Non-insulated Solderless Ring Terminals, #8 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS RING TERMINALS (Cont.)

### Model No. S-1041-SP

#### Solderless Ring Terminals.

Non-insulated Ring Terminal for #5/16 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19044-0160	100	Non-insulated Solderless Ring Terminals, #5/16 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1100-SP

#### Solderless Ring Terminals.

Non-insulated Ring Terminal for #1/4 Screw and 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19069-0219	100	Non-insulated Solderless Ring Terminals, #1/4 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2001-SP

#### Solderless Ring Terminals.

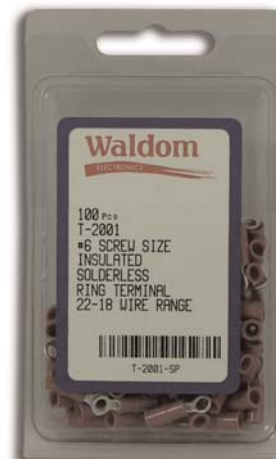

Insulated Ring Terminal (.235" Width) for #6 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19054-0033	100	Insulated Solderless Ring Terminals (.235" Width), #6 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2002-SP Solderless Ring Terminals.

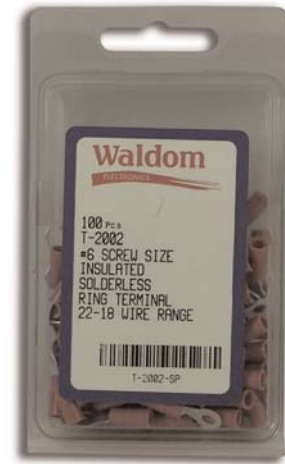

Insulated Ring Terminal (.322" Width) for #6 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19054-0035	100	Insulated Solderless Ring Terminals (.322" Width), #6 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2003-SP Solderless Ring Terminals.

Insulated Ring Terminal for #10 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19054-0039	100	Insulated Solderless Ring Terminals, #10 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2004-SP Solderless Ring Terminals.

Insulated Ring Terminal for #1/4 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19054-0042	100	Insulated Solderless Ring Terminals, #1/4 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS RING TERMINALS (Cont.)

### Model No. T-2006-SP

Solderless Ring Terminals.

Insulated Ring Terminal for #6 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19054-0081	100	Insulated Solderless Ring Terminals, #6 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2007-SP

Solderless Ring Terminals.

Insulated Ring Terminal for #8 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19054-0083	100	Insulated Solderless Ring Terminals, #8 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2008-SP

Solderless Ring Terminals.

Insulated Ring Terminal for #10 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19054-0113	100	Insulated Solderless Ring Terminals, #10 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2009-SP

Solderless Ring Terminals.

Insulated Ring Terminal for #1/4 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19054-0086	100	Insulated Solderless Ring Terminals, #1/4 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2011-SP

Solderless Ring Terminals.

Insulated Ring Terminal for #10 Screw and 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19070-0123	100	Insulated Solderless Ring Terminals, #10 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2013-SP

Solderless Ring Terminals.

Insulated Ring Terminal for #3/8 Screw and 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19070-0153	100	Insulated Solderless Ring Terminals, #3/8 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS RING TERMINALS (Cont.)

### Model No. T-2021-SP

#### Solderless Ring Terminals.

Insulated Ring Terminal for #8 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19054-0037	100	Insulated Solderless Ring Terminals, #8 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2024-SP

#### Solderless Ring Terminals.

Insulated Ring Terminal for #8 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19054-0110	100	Insulated Solderless Ring Terminals, #8 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2047-SP

#### Solderless Ring Terminals.

Insulated Ring Terminal for #4 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19054-0032	100	Insulated Solderless Ring Terminals, #4 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

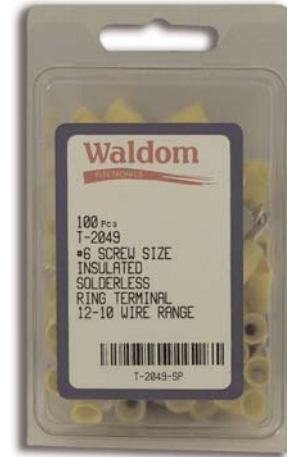

**Model No. T-2049-SP**  
**Solderless Ring Terminals.**  
**Insulated Ring Terminal for #6 Screw and**  
**12-10 AWG.**

**Consists of 100 Pieces.**

**Contents:**

Molex Part No.	Quantity per Pack	Description
19070-0119	100	Insulated Solderless Ring Terminals, #6 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

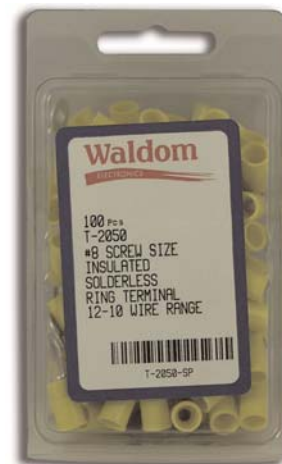

**Model No. T-2050-SP**  
**Solderless Ring Terminals.**  
**Insulated Ring Terminal for #8 Screw and**  
**12-10 AWG.**

**Consists of 100 Pieces.**

**Contents:**

Molex Part No.	Quantity per Pack	Description
19070-0121	100	Insulated Solderless Ring Terminals, #8 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

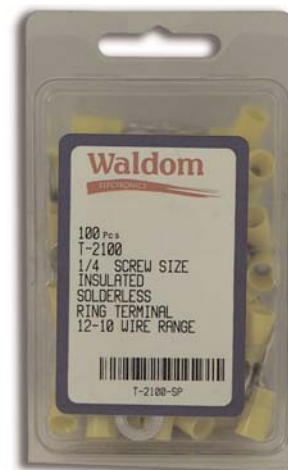

**Model No. T-2100-SP**  
**Solderless Ring Terminals.**  
**Insulated Ring Terminal for #1/4 Screw and**  
**12-10 AWG.**

**Consists of 100 Pieces.**

**Contents:**

Molex Part No.	Quantity per Pack	Description
19070-0132	100	Insulated Solderless Ring Terminals, #1/4 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS RING TERMINALS (Cont.)

### Model No. T-2101-SP

#### Solderless Ring Terminals.

Insulated Ring Terminal for #5/16 Screw and 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19070-0136	100	Insulated Solderless Ring Terminals, #5/16 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS SPADE TERMINALS

### Model No. S-1014-SP

#### Solderless Spade Terminals.

Non-insulated Block Spade Terminal for #6 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19140-0031	100	Non-insulated Solderless Block Spade Terminals, #6 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1015-SP

#### Solderless Spade Terminals.

Non-insulated Block Spade Terminal for #6 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19128--0021	100	Non-insulated Solderless Block Spade Terminals, #6 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1016-SP

#### Solderless Spade Terminals.

Non-insulated Block Spade Terminal for #10 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19146-0037	100	Non-insulated Solderless Block Spade Terminals, #10 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1017-SP

#### Solderless Spade Terminals.

Non-insulated Block Spade Terminal for #10 Screw and 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19141-0085	100	Non-insulated Solderless Block Spade Terminals, #10 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1030-SP

#### Solderless Spade Terminals.

Non-insulated Block Spade Terminal for #8 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19140-0033	100	Non-insulated Solderless Block Spade Terminals, #8 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS SPADE TERMINALS (Cont.)

### Model No. S-1033-SP

#### Solderless Spade Terminals.

Non-insulated Block Spade Terminal for #8 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19128-0023	100	Non-insulated Solderless Block Spade Terminals, #8 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1080-SP

#### Solderless Spade Terminals.

Non-insulated Flanged Spade Terminal for #6 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19128-0010	100	Non-insulated Solderless Flanged Spade Terminals, #6 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. S-1118-SP

#### Solderless Spade Terminals.

Non-insulated Block Spade Terminal for #6 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19128-0004	100	Non-insulated Solderless Block Spade Terminals, #6 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2014-SP

Solderless Spade Terminals.

Insulated Block Spade Terminal for #6 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0005	100	Insulated Solderless Block Spade Terminals, #6 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2015-SP

Solderless Spade Terminals.

Insulated Block Spade Terminal for #6 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0044	100	Insulated Solderless Block Spade Terminals, #6 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2016-SP

Solderless Spade Terminals.

Insulated Block Spade Terminal for #10 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0046	100	Insulated Solderless Block Spade Terminals, #10 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS SPADE TERMINALS (Cont.)

### Model No. T-2017-SP Solderless Spade Terminals.

Insulated Block Spade Terminal for #10 Screw and 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19144-0042	100	Insulated Solderless Block Spade Terminals, #10 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2029-SP Solderless Spade Terminals.

Insulated Round Spade Terminal for #6 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19142-0003	100	Insulated Solderless Round Spade Terminals, #6 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2030-SP Solderless Spade Terminals.

Insulated Block Spade Terminal for #8 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0006	100	Insulated Solderless Block Spade Terminals, #8 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2031-SP

Solderless Spade Terminals.

Insulated Block Spade Terminal for #8 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0003	100	Insulated Solderless Block Spade Terminals, #8 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2032-SP

Solderless Spade Terminals.

Insulated Block Spade Terminal for #10 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0007	100	Insulated Solderless Block Spade Terminals, #10 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2033-SP

Solderless Spade Terminals.

Insulated Block Spade Terminal for #8 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0045	100	Insulated Solderless Block Spade Terminals, #8 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS SPADE TERMINALS (Cont.)

### Model No. T-2053-SP

#### Solderless Spade Terminals.

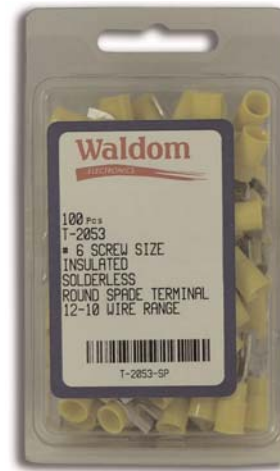

Insulated Round Spade Terminal for #6 Screw and 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19144-0037	100	Insulated Solderless Round Spade Terminals, #6 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2080-SP

#### Solderless Spade Terminals.

Insulated Flanged Block Spade Terminal for #6 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19119-0012	100	Insulated Solderless Flanged Block Spade Terminals, #6 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2081-SP

#### Solderless Spade Terminals.

Insulated Flanged Block Spade Terminal for #8 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19119-0014	100	Insulated Solderless Flanged Block Spade Terminals, #8 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2082-SP

Solderless Spade Terminals.

Insulated Flanged Block Spade Terminal for #10 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19119-0015	100	Insulated Solderless Flanged Block Spade Terminals, #10 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2083-SP

Solderless Spade Terminals.

Insulated Flanged Block Spade Terminal for #6 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0038	100	Insulated Solderless Flanged Block Spade Terminals, #6 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2084-SP

Solderless Spade Terminals.

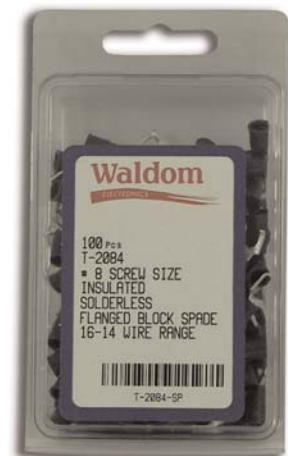

Insulated Flanged Block Spade Terminal for #8 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0039	100	Insulated Solderless Flanged Block Spade Terminals, #8 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS SPADE TERMINALS (Cont.)

### Model No. T-2085-SP Solderless Spade Terminals.

Insulated Flanged Block Spade Terminal for #10 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0040	100	Insulated Solderless Flanged Block Spade Terminals, #10 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2118-SP Solderless Spade Terminals.

Insulated Block Spade Terminal for #6 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0002	100	Insulated Solderless Block Spade Terminals, #6 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2121-SP Solderless Spade Terminals.

Insulated Block Spade Terminal for #4 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0010	100	Insulated Solderless Block Spade Terminals, #4 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2123-SP

Solderless Spade Terminals.

Insulated Block Spade Terminal for #6 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19130-0011	100	Insulated Solderless Block Spade Terminals, #6 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2349-SP

Solderless Spade Terminals.

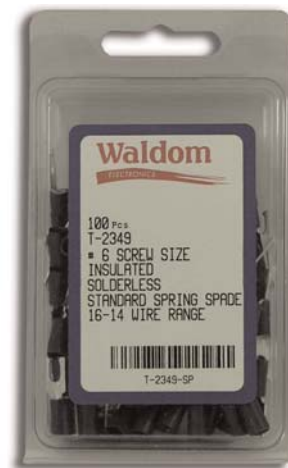

Insulated Standard Spring Spade Terminal for #6 Screw and 16-14 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19099-0017	100	Insulated Solderless Standard Spring Spade Terminals, #6 Screw, 16-14 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2592-SP

Solderless Spade Terminals.

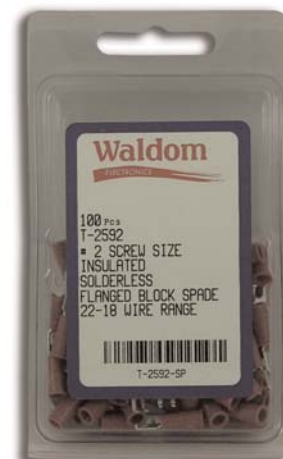

Insulated Flanged Block Spade Terminal for #2 Screw and 22-18 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19119-0001	100	Insulated Solderless Flanged Block Spade Terminals, #2 Screw, 22-18 AWG

Note: This Kit is Included on Rack Program IWST-B.

## MOLEX SOLDERLESS SPADE TERMINALS (Cont.)

### Model No. T-2707-SP Solderless Spade Terminals.

Insulated Block Spade Terminal for #8 Screw and 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19131-0004	100	Insulated Solderless Block Spade Terminals, #8 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.

### Model No. T-2724-SP Solderless Spade Terminals.

Insulated Flanged Spade Terminal for #10 Screw and 12-10 AWG.

Consists of 100 Pieces.

#### Contents:

Molex Part No.	Quantity per Pack	Description
19121-0056	100	Insulated Solderless Flanged Spade Terminals, #10 Screw, 12-10 AWG

Note: This Kit is Included on Rack Program IWST-B.
